Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

At present accommodation is being provided for about 120 to 140 members of the Representative Assembly on each occasion of Birthday & Dasara Sessions of the R.A. at Mysore in the three buildings viz

1 Representative's House
2 Nanjaraj Bahadur chatram
3 Maharaja's High School

Of these three buildings No 1. is the only govt. building where about 45 to 50 Members will be accommodated. Excluding this, accn. will have to be found for about 100 Members more. This may be taken as the basis in Constructing any other building

I am unable to say upto what amount the cost of the project should be limited.

Kind attention is invited to para 1 of the Chief Engineer's letter No. 1999 dated 20-4-1926, wherein the Chief Engineer states that the Executive Engineer Mysore Special Division has been requested to get up detailed estimate plans for the Construction of the additional block of building for the use of the R.A. members at Mysore. Such estimate has been received in this office from the Chief Engineer. It is a point for orders whether the said officer may be addressed to get prepared the necessary plans & estimates on the basis that 120 members have to be accommodated, the cost being limited to about Rs. 250000 as suggested by the Secretary.

DM 29-9-27

In his letter of 20.4.26 the chief engr. mentions that Rs. 60,000/- was required for 1925-26 for acquiring the departmental grant in connection with the hall for the Navy and the R.A. Now there is no basis to fix the limit of the proposed accommodation for 120 R.A. members. This is for orders.

(R.A 26-25-1) H.7.

In their order dated the 13th March 1926, Govt. have requested the Chief Engineer to take steps to prepare plans and estimates for a block of buildings capable of accommodating 50 members.

In reply, the Chief Engineer said that the Executive Engineer had been requested to take necessary action & that the plans and estimates could be subd to Govt as soon as they were received from him. This was on the 20th April 1926. Since then nothing further seems to have been done. [There are no other papers bearing on the subject in this office.]

~~The Committee accepted~~

The "Facilities Committee" estimated the cost of providing accommodation for 100 members at a lakh of rupees. The number is now proposed to be increased to 120. The cost will also proportionately increase. Perhaps the limit may be fixed at roughly 1½ lakhs.

A draft is put up for consideration.

To

The Chief Engineer in Mysore.

Sir,

With reference to your letter No 719 Dated 23-7-1927 in the matter of accommodation for the members of the Representative Assembly I have the honour to state that the accommodation is required for about 125 members of the Rep. Assembly & that the cost will depend upon the design of the Building proposed to be raised for the purpose.

The cost of the project will have to depend upon the design that may be adopted.

May perhaps be omitted.
